RE-DEPLOYMENT PROCESSING:

Upon returning from Theater, Civilians and Contractors that deployed through the Camp Atterbury IRDO are required to Re-Deploy through Camp Atterbury. Visit the Individual Replacement Deployment Operations program website for the latest updates available on (IRDO) Re-Deployment requirements, reporting times, transportation, housing and any processing requirements that need to be completed before arrival.

Re-Deploying civilians should make contact with us via e-mail distribution at ng.in.inarng.mbx.cajmtc-irdo-redeploy-schedule-request@mail.mil 7 days prior to Re-Deploying back to Camp Atterbury, IN. You should email your flight itinerary with your notice. All transportation, billeting and processing will be handled through Camp Atterbury. Please refer back to the IRDO website for the latest updates and changes.

Upon arrival at Indianapolis International Airport, Civilians and Contractors wait for the next scheduled shuttle listed below on Page 2.

Upon arrival to Camp Atterbury **during** business hours, 0700-1600 hours Monday through Friday, report to Bldg 359 and sign in. Then you will be directed to the Re-Deployment Team Leader. **After** business hours, (1600-0700 hours or during the weekend), report to the Staff Duty Office at Building 303. Personnel will be housed for the night and will report to Bldg 359 the next business day. Each returning individual who requires a DD Form 2796 must be scheduled for a face-to-face health assessment with a trained health care provider (physician, PA, nurse practitioner) during in-theater medical out-processing or within 30 days after returning to home or processing station (PPG 7-8.d).

Complete your Post Deployment Health Assessment online via AKO prior to departing your Theater of Operation. You do not need to complete any medical exams or send any medical information to us in order to complete the Re-Deployment process.
